Over the years these doors have offered an open gateway to higher learning for those whose sacrifices have surmounted the many rocky pathways that they have been asked to follow. This unlimited opportunity can be measured only in later life by the individuals that have crossed our educational threshold.

We, the annual staff, offer this record hoping that it will leave a lasting impression on you always, and someday, perhaps, you will be able to look back upon these pages and truly say, "MEMORIES ARE MADE OF THIS."

The Editor

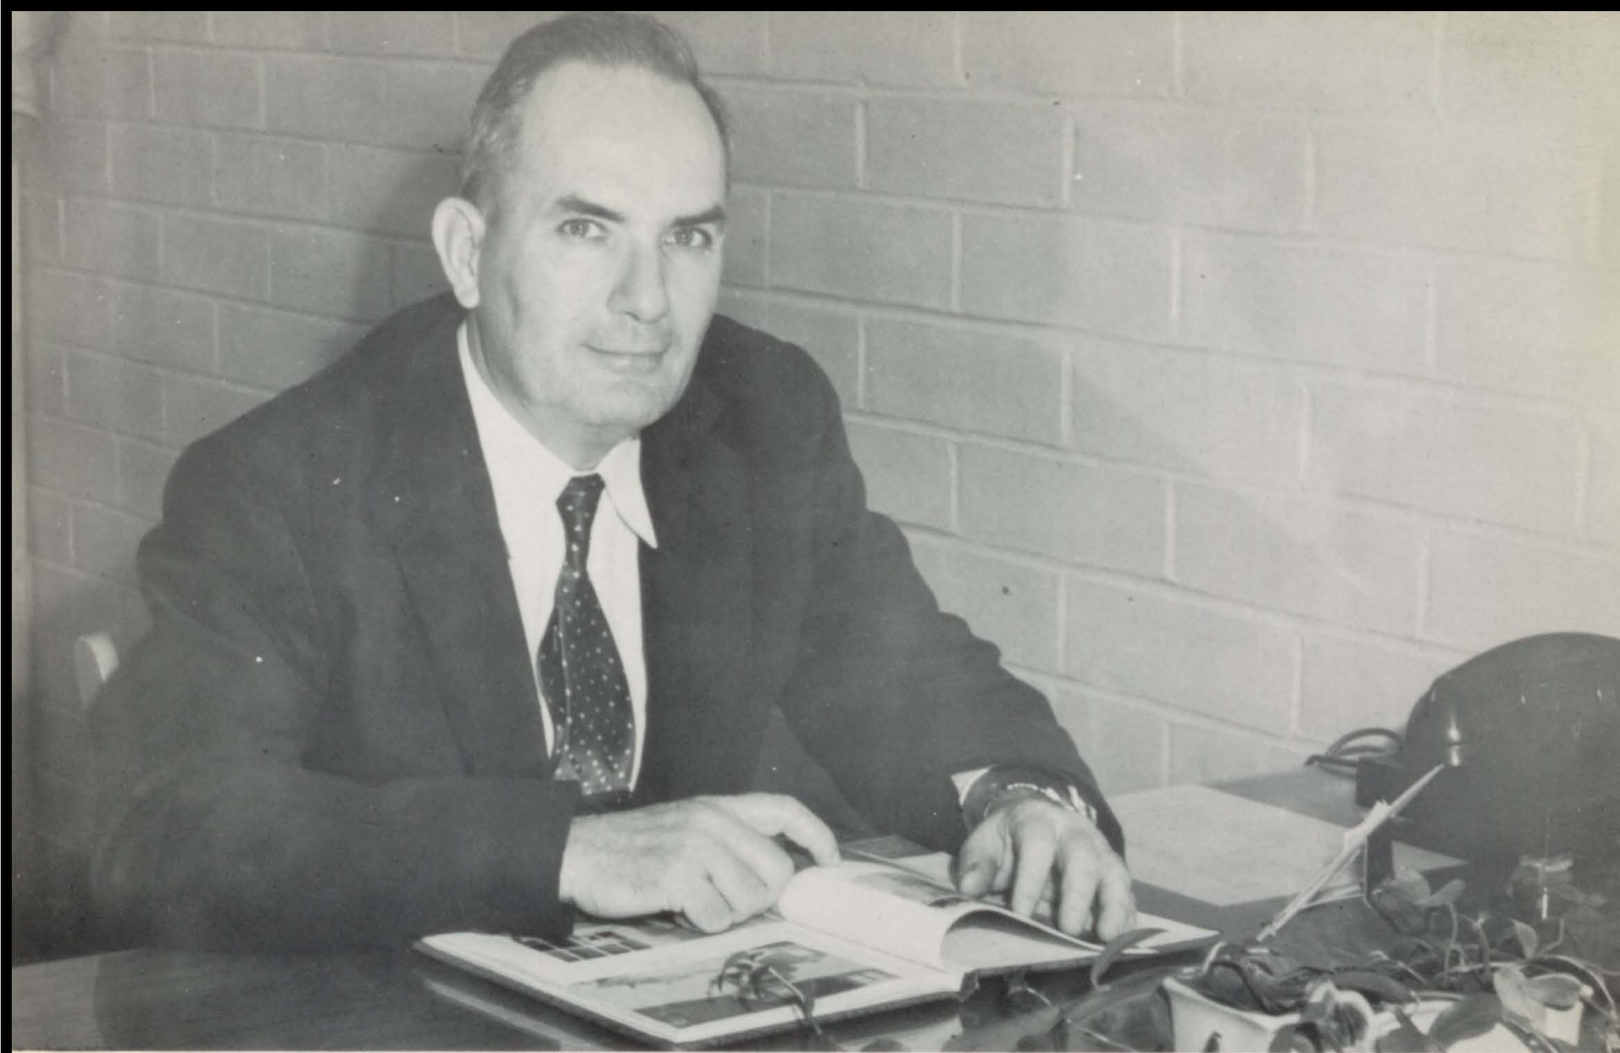

To Glenn Hitchcock for his untiring efforts to make our annual and school year a rewarding success we dedicate the 1957 Pioneer. May you always have the best, for you have always given your best.

ADMINISTRATION

Here lies our strength upon which we stand.

MR. CARL STORY, Supervising Principal

Memories are made of this:

Of children, the most interesting people in all the world, our memories are fashioned from your ambitions, your dreams, your accomplishments. True, there have been disappointments, but God, in His infinite wisdom has given to us, your teachers, such a generous portion of the art of forgetfulness that our memories consist only of the good. For you, students of 1957, we are building another room in our "House of Wonderful Memories"

CARL J. STORY

MISS JEAN ROLAND, Secretary

MR. FRED WATERS, Principal

Five years ago a group of students were referred to as "lil" ole eighth graders. This year they are graduating. Their contribution to W. R. H. S. has been of great value in building the pride that goes with being a student of "our" school.

My best wishes sincerely go with you as I say, "Knowing you has been one of the greatest experiences of my life."

A Student Teacher

Teachers Relax

English

A day in the life of a demon begins every morning around 8:15. Students arrive at school in many different ways. Some ride buses; some ride motor scooters; some walk; and many have their own cars. Our ample parking lots are filled to overflowing every day.

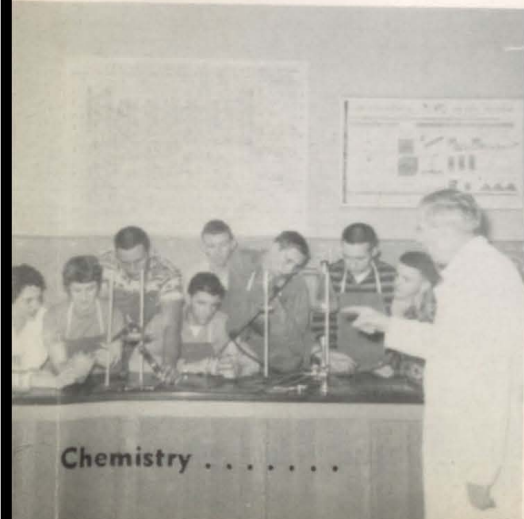

In every school some students must be excused for coming late or for being absent the day before and ours is no exception. After everyone is cleared to go to class, our

Hard work now begins for both the students and the faculty although it sometimes appears that neither is expending much energy. We have tried to give a pictorial report of every curriculum offered at our school with students and teachers at their work.

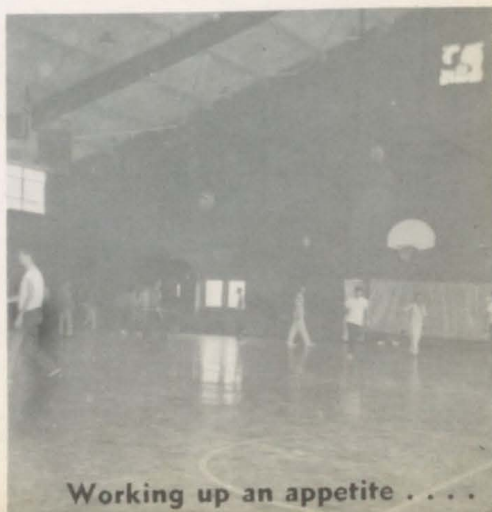

Not every minute is spent working,

however, because of assemblies, physical education, class and club meetings, band, and varsity athletics offer character building diversionment for all students that wish to participate.

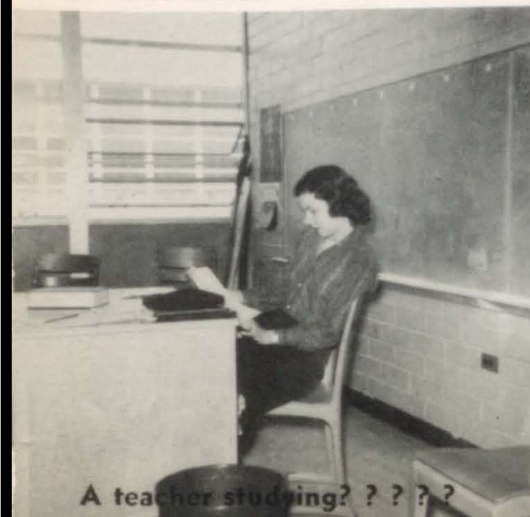

The best part of the day is the lunch hour because we have an efficient cafeteria that provides us with well rounded meals. After lunch there is plenty of time to get together with nothing to do but talk, and most

We hope that these pages typify a day in the life of a Demon to you. We have a wonderful faculty to advise us and each of us need their help at one time or another.

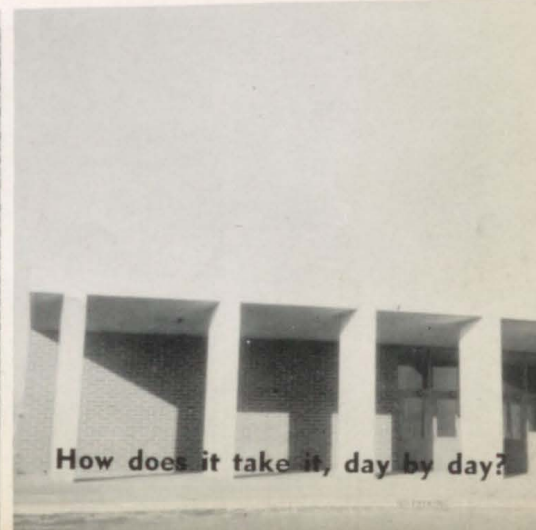

The heartaches and successes that we have experienced here at Warner Robins High School will make better men and women of us in later life.

COACHES

Glenn Hitchcock, "B" Team; Doc Kirksey, Head Coach; Edsel Dorrough, "B" Team; Joe Musselwhite, Line Coach.

The 1956 edition of the Demons was perhaps the best in the short football history of our school. From the opening victory over AAA Southwest DeKalb to the defeat of unbeaten Fort Valley, the Demons compiled a six win three loss one tie record. This was an exceptionally good season considering that Warner Robins had jumped from Class B to the fast AA Region. Coaches Kirksey and Musselwhite should be commended for the fine job they did during the rugged schedule. Two Demons, James Malone and James Heath received honorable mention on the All-State Team.

The big game of the year is the homecoming game. This year Irwin County of Ocilla was the opponent, and became the first team to defeat the Demons on this date. The season's largest crowd watched the contest and saw Ocilla score two touchdowns before the Demons tallied late in the game to make the final score 12-7. Miss Gwen Ard was elected queen of the homecoming festivities. Her court was made up of Sarah Feeney, Sonya Stokes, Gail Norris, Gail Turner, Frances Stokes, Natalie Mathews.

The boys' basketball team returned from last year almost intact and marched through a 26 game schedule winning 22 and losing 4. Coaches Donald LaBlanc and Sonny Dykes, along with their boys deserved this fine record for their fine efforts. This Demton team became the first to defeat arch rival Perry in a regular season game. In the regional tournament the Demons lost to a good Tifton team 74-69.

mon, Dotti White, Gail Norris, Gloria Floyd, Linda Hill, Coach Bowman.

Only a few veterans returned to the girls team, yet they earned a somewhat sensational 22 won 4 lost record. Hard work by the coaches, Mr. White and Mr. Bowman, plus the efforts of our girls, rewarded them pleasantly. With only one senior on the team, next year could be a banner year. The girls won second place in our own Christmas Tournament and lost to Tifton 68 to 50 in the regional play.

The boys' basketball Bee team, coached by Beeler Thompson, will be expected to furnish our varsity with seasoned players in the future. With the 12 won 2 lost record they compiled this year, we feel that they are producing the type of players needed for fine teams in later years.

Joe Gill—Discus

The track team, coached by Mr. Dorrough took 3rd place in Regional play and 4th place in the State Meet. Louis Beck won first place in the regional 220 and first places in the state 100 and 220 yard dash. The relay team won first place in the district and second place in the state. Teddy Jensen got second place in the region and third place in the state in the pole vault.

Optimism is running high in Coach Kirksey's baseball camp this spring. The Nucleus for a fine ball club is definitely there if the pitching comes through, and capable coaching should bring out their best.

ALMA MATER

On the city's western border,
Led by God's great hand,
Proudly stands our alma mater,
Dearest in the land.

We will ever sing thee praises,
Striving without fail,
Here's to thee, our alma mater,
Robins High, All Hail.
